HIA STATISTICAL REPORTING PROGRAM
FIRST QUARTER 1990

Dear Participant:

On behalf of the Hearing Industries Association (HIA), I am providing the HIA Statistical Report for the quarter ending March 31, 1990.

At the direction of the HIA Board of Directors, we have made significant changes to this report to enhance its value and utility. Let me outline those changes for you:

1. We are **NO LONGER ISSUING TWO REPORTS EACH QUARTER**. Beginning with this quarter, the 1990 HIA Statistical Reports will reflect the sales of those companies who participated in the **Consolidated** Quarterly reports issued in 1989. The 1989 Consolidated Report also forms the basis for the 1989 statistics used in this report.

2. The *Returns for Credit -- Annual Summary* has been updated with **1989 ANNUAL DATA**. Additionally, beginning with this quarter, we are now reporting **RETURNS FOR CREDIT DATA ON A QUARTERLY BASIS** rather than as a special annual survey.

3. The *Cumulative Year-to-Date Unit Sales by State and Country* now includes **PERCENTAGE CHANGE OVER THE PREVIOUS YEAR'S SAME QUARTER SALES**.

4. The *Canadian Sales by Province* has been divided into two new reports -- **SUMMARY** and **BY TYPE**.

5. The *Other Foreign (Export) Sales* has similarly been divided into two new reports -- **SUMMARY** and **BY TYPE**.

If you have questions about these modifications, please contact HIA Executive Director Carole M. Rogin at 202/833-1411.

Sincerely,

Gretchen M. Leonard
